Frumster.com Offers New Third Party Facilitation Service!

(PASSAIC, NJ) — Frumster, the most successful online Jewish dating-for-marriage service, recently launched Frumster CONNECT®, a unique 3rd party facilitation service for members.

Frumster CONNECT® is an exciting hands-on service to help facilitate the transition from existing online communications between two members, to a comfortable off-line dating experience.

A 3rd party facilitates off-line communications between members who have already been in direct e-mail communications, and who mutually wish to move forward, but feel more comfortable by engaging a facilitator in taking the next step.

Typical roles of the facilitator include setting up a first date or initial call between two members, helping

to facilitate the exchange of personal contact information and reference information, acting as a point-person before and after dates etc.

"Always looking to enhance our service, Frumster has addressed a specific need expressed by some members, who while empowered by conducting their own searches and initiating communications, have sought the comfort of 3rd party involvement in the transition to off-line dating when communications have proven positive." So says Derek Saker, Director of Marketing at Frumster.

Frumster's marriage rate continues to rapidly grow and the service has now seen over 280 marriages, with an average of 14 members finding their Bashert through Frumster each month! These 'Frumster Marriages' continue to cross all ages, observant outlooks and continents.

The expanding Frumster service is managed by a dedicated, full-time team based in Passaic, NJ.

About Frumster: With over 280 members matched, and more than 14,000 screened members, Frumster empowers success. Members conduct searches and contact potential matches anonymously through the private Frumster network. Frumster CONNECT, is an additional 3rd party facilitation service that helps members in the initial stages of the dating process. Our secure and comfortable dating environment draws singles of all ages and religious outlooks who are sincerely searching for a marriage partner.

Journey To Golda's Balcony

On Sunday, October 17, at 7:00 p.m., Lower Manhattan's Museum of Jewish Heritage — A Living Memorial to the Holocaust will host a screening of the documentary film *The Journey To Golda's Balcony*, followed by a discussion and question-and-answer session with Broadway star Tovah Feldshuh. The 33-minute documentary traces Feldshuh's journey to become Golda Meir, juxtaposed with footage of the legendary prime minister and other notable Israeli leaders. The film is narrated by Alec Baldwin.

Tovah Feldshuh, a four-time Tony nominee, won the 2003 Lucille Lortel Award for Best Actress and the 2003 Drama Desk Award for Best Solo Performance for her starring role as Prime Minister Golda Meir in *Golda's Balcony*.

This event is being held in conjunction with the Museum's photography exhibition *Kippur: Three Weeks in October*, which opens October 27. The exhibition uses journalist Uri Dan's photographs of Reserved Armed Division 143, which was led by Ariel Sharon, to tell the story of the Yom Kippur War.
